Hi Dave, Yes, we cancelled the check-in meeting last week – I was (b) (6), but happy to talk about this today or tomorrow. I have spotty availability today but am I'm available anytime tomorrow – what works for you?

Thank you,
Madi

Hi Madi,

Not sure if our RM7W has been canceled but I wanted to check-in with you on the GS Roofing banks. They recently submitted a draft-SCE and it raised the question on how the extent of the banks that will be address in the in-water work. I am open most of today and tomorrow. Let me know if there is a time that works for you.
Thanks

Note that DEQ has changed email addresses to the xxx@deq.oregon.gov format, replacing the previous xxx@deq.state.or.us that has been in use for many years. While the previous address will still work, use of the new address format is recommended. My current email address is therefore david.j.lacey@deq.oregon.gov
